Subject: Preliminary Draft Working Paper on ERPP Implementation Objectives and Targets

Enclosed for your review is the preliminary working draft we plan to handout at our workshop on November 19.

We would like your comments regarding format, content, and potential "red flag" concerns at the PCT meeting on Wednesday, November 13 or at the AERT meeting set for Thursday, November 14.

Thank you for your continuing involvement. This document represents a transition from planning to technical product for the Ecosystem Restoration Program and we need all the input we can get.
